

Infrastructure & Energy Finance | VP Position in the Nordics

About Astris Finance

- Founded in 2000, Astris Finance is an independent financial advisory firm specialized in the Infrastructure and Energy (I&E) sectors with an exceptional track record in Project Finance and M&A.
- Astris advises leading, global sponsors and investors in renewable energy, clean conventional energy, transportation and other core I&E sectors in the Americas, Europe and South East Asia.
- With more than 50 I&E investment bankers, we are one of the largest independent advisory teams in the I&E space globally.
- In the past 20 years, we have advised on over 300 transactions and USD 50 bn+ of investment in the Infrastructure & Energy space, across virtually all markets globally.
- We have been elected Financial Advisor of the Year for Latin America by IJ Global for four out of the past five years (2016, 2018, 2019 and 2020). In FY2020, the IJ Global league tables ranked us #2 in Global Renewables, #2 in European Renewables and #2 in Latin America infrastructure and energy.
- The firm has offices in Washington D.C., Mexico City, Bogota, Sao Paulo in the Americas; Singapore and Ho Chi Minh City in South East Asia; and Paris, Madrid and Hamburg in Europe.
- **We are looking for a senior Infrastructure & Renewable Energy professional with outstanding credentials in structuring and executing financing and M&A mandates in the renewable energy and/or infrastructure sectors, able and ready to actively support our long term vision and business plan in the Nordics.**

Astris Finance

Infrastructure & Energy Finance | VP Position in the Nordics

Position on Offer

VP position with no less than 6 years of experience in Infrastructure and Renewable Energy Project Finance and/or M&A.

Location

Flexible. Could be the Nordics/Paris/Hamburg.

Job Description

You will work under the direct supervision of the Director Europe in charge of the Nordics expansion and will be principally responsible for:

- **Execution:** Lead team in connection with the structuring and execution of infrastructure and energy transactions in the Nordics markets, overall coordination of day-to-day transaction execution, including communication with clients, interaction with lenders and/or investors, supervision of Astris execution teams and coordination with other Astris teams as applicable;
- **Business Development:** Lead/support in originating financial advisory mandates in the Nordics markets, and associated business development activities;
- Any other task of a similar nature and level of responsibility, in connection with the work of the Firm.

Required Skills/Background

- Accomplished prior work experience in Infrastructure and Renewable Energy M&A and/or project finance in the Nordics as VP, senior associate, associate or consultant for no less than 6 years;
- Relevant courses and education background (Corporate & Project Finance, Accounting, Valuation, Financial Modelling, Engineering);
- English fluency (fluency in one of the Nordics languages would be a big plus);
- Strong writing and communication skills;
- Enthusiastic, proactive, and team oriented.

Infrastructure & Energy Finance | VP Position in the Nordics

Expected Compensation: Competitive package in accordance with experience / seniority
