

Infrastructure & Energy Finance | Associate Position in Germany

About Astris Finance

- Founded in 2000, Astris Finance is an independent financial advisory firm specialized in the Infrastructure and Energy (I&E) sectors with an exceptional track record in Project Finance and M&A.
- Astris advises leading, global sponsors and investors in renewable energy, clean conventional energy, transportation and other core I&E sectors in the Americas, Europe and South East Asia.
- With more than 50 I&E investment bankers, we are one of the largest independent advisory teams in the I&E space globally.
- In the past 20 years, we have advised on over 300 transactions and USD 50 bn+ of investment in the Infrastructure & Energy space, across virtually all markets globally.
- We have been elected Financial Advisor of the Year for Latin America by IJ Global for four out of the past five years (2016, 2018, 2019 and 2020). In FY2020, the IJ Global league tables ranked us #2 in Global Renewables, #2 in European Renewables and #2 in Latin America infrastructure and energy.
- The firm has offices in Washington D.C., Mexico City, Bogota, Sao Paulo in the Americas; Singapore and Ho Chi Minh City in South East Asia; and Paris, Madrid and Hamburg in Europe.
- **We are looking for a Project Finance professional with outstanding credentials in structuring and executing financing mandates in the renewable energy and/or infrastructure sectors, able and ready to actively support our long term vision and business plan in Germany.**
